Education

- 2010 (submitted) Ph.D. in Linguistics, University of Tromsø
2008 Sc.D. in Linguistics, University of Ljubljana
2003 B.A. in Comparative Literature and Slovenian Language, University of Ljubljana

Teaching Experience

Rutgers University

Phonology (615:315) [Fall 2010]
Introduction to the Study of Language (615:101:01) [Fall 2010]

University of Tromsø

Phonetics (LIN-1030, co-taught with Islam Youssef) [Spring 2007, Fall 2009]
Phonology (LIN-1012) [Fall 2007]
Introduction to Praat [November 2007]

Indiana University Bloomington

Elementary Slovene [Summer 2006, Summer 2009]

University of Nova Gorica

Morphology (T.A.) [Spring 2006]
Phonetics and Phonology (T.A.) [Fall 2004, Fall 2005]

Scientific Research Centre of the Slovenian Academy of Arts and Sciences

Introduction to Digital Speech Analysis [April/May 2004]

University of Ljubljana

Slovene as L2 (T.A.) [July 2001, July 2002, July 2003]

Publications

In English

- Under Revision Long-Distance Derived Environment Effects. *Natural Language & Linguistic Theory*.
2010 Disjunctive lexical stratification. *Linguistic Inquiry* 41(1):149–161.

- 2007 Acoustic analysis of lexical tones in contemporary standard Slovenian. In *Proceedings of the 16th International Congress of Phonetic Sciences*, 2:1089–1092.
- Creaky voice in Slovene. In Manuel González, Elisa Fernández Rei and Begoña González Rei (eds.), *III Congreso Internacional de Fonética Experimental*. Santiago de Compostela: Xunta de Galicia. 407–420.
- 2007 Acoustic analysis of tones in contemporary standard Slovene: preliminary findings. *Slovene Linguistic Studies* 6:195–207.
- 2006 Formant frequencies of vowels in tonal and non-tonal Standard Slovenian. *Slavistična revija* 54(SI):467–478.
- (Editor) *SloFon1: Book of Abstracts*. Ljubljana: SRC SASA. 98pp.
- 2005 Formant frequencies of standard Slovene vowels. *Govor* 22(2):127–143.

In Other Languages

- 2006 O nenaglašeni /e/ in /o/ v standardni slovenščini. *Slavistična Revija* 54(2):173–185. [Unstressed /e/ and /o/ in standard Slovenian revisited]
- (with Melita Zemljak Jontes) Metodologija preučevanja glasovnega gradiva. In Mihaela Koletnik and Vera Smole (eds.), *Diahronija in sinhronija v dialektoloških raziskavah*. Maribor: Slavistično društvo. 303–309. [Methods of speech analysis]
- Organizirana skrb za govorno kulturo v slovenskih elektronskih medijih*. Study for the Government of Slovenia, Department of Culture. [Language policy in Slovenian electronic media]
- 2005 *Samoglasniški nizi v slovenščini: Fonološko-fonetična analiza*. Ljubljana: Rokus (Slavistična knjižnica, 8). 224pp. [The Phonology and Phonetics of Vowel Sequences in Slovenian]
- Začetne opombe k laringalizaciji v slovenščini. *Slovene Linguistic Studies* 5:135–168. [Preliminary remarks on laryngealization in Slovene]
- Descrizione fonetica della parlata di Valbruna. In Nataša Komac and Vera Smole (eds.), *Valbruna e sua parlata slovena*. Ljubljana and Valbruna: SRC SASA. 60–84. [Phonetic description of Slovenian in Valbruna, Italy]
- Položaj v besedi in formantne frekvence samoglasnikov (standardne slovenščine): I. Naglašeni samoglasniki. *Jezikoslovni Zapiski* 11(1):87–95. [Word-position affects formant frequencies of stressed vowels]
- Fonološke in morfonološke značilnosti mlajšega prevzetega besedja. In Marko Jesenšek (ed.), *Knjižno in narečno besedoslovje slovenskega jezika*. Maribor: Slavistično društvo. 249–260. [Phonology and morphology of neologisms]

- 2004 Fonologija samoglasniških nizov v slovenščini. *Slavistična Revija* 52(2):119–140. [Phonology of vowel sequences in Slovenian]
- Antihiatški pojavi v knjižni slovenščini. *Jezikoslovni Zapiski* 10(1):125–144. [Hiatus-avoiding processes in standard Slovenian]
- Fonologija v slovarju novejšega besedja. *Jezikoslovni Zapiski* 10(2):89–101. [Phonology in a dictionary of neologisms]
- Natančnost odčitavanja formantov pri digitalnem spektrografiranju na podlagi LPC-analize. In Tomraž Erjavec, Jerneja Žganec Gros (eds.), *Jezikovne Tehnologije: Proceedings B of the 7th International Multi-Conference Information Society IS 2004*. Ljubljana: Institut Jožef Stefan. 34–41. [Accuracy of formant frequency measurements in LPC-based digital spectrography]
- 2004 Fonološke značilnosti novejšega slovenskega besedja. In Marko Stabej (ed.), *Moderno v slovenskem jeziku, literaturi in kulturi: zbornik predavanj*. Ljubljana: Center za slovenščino kot drugi/tuji jezik pri Oddelku za slovenistiko Filozofske fakultete. 179–181. [Phonology of neologisms in Slovenian]
- 2003 (with Hotimir Tivadar) Podoba govornega slovenskega knjižnega jezika v Slovenskem pravopisu 2001. *Slavistična Revija* 51(2):203–220. [Spoken Standard Slovenian according to the *Slovenian Orthographic Dictionary* (2001)]
- 2001 Nekatera fonološka vprašanja v novem slovenskem pravopisu. *Slava* 14(1/2):45–59. [On phonology in the *Slovenian Orthographic Dictionary*]
- 1999 Polglasnik in zvočniški sklop v izglasju mlajših prevzetih besed. *Jezik in Slovnstvo* 44(7/8):314–318. [Schwa and word-final sonorant clusters]

Presentations

- 2010 Icy targets in Icelandic. *7th Old World Conference in Phonology*. Nice, France. January 29.
- Non-phonological cues of stratal affiliation. *Annual Meeting of the Linguistic Society of America*. Baltimore. January 9.
- 2009 Icy targets. *Tromsø–Toronto Phonology Workshop*. University of Toronto. October 10.
- Feature spreading is hierarchical. Talk given at the Department of Linguistics, Indiana University Bloomington. August 12.
- Two types of long-distance alternations in Slovenian. *Summer Workshop in Slavic, East European and Central Asian Languages*. Bloomington: Indiana University Bloomington. July 14.
- Autosegmental spreading is a binary relation. *CASTL Colloquium Series*. Tromsø: University of Tromsø. March 5.
- Binary Domains Theory. *7th GLOW in Asia*. Hyderabad: English and Foreign Languages University. February 26.
- Schwa in Slovenian is epenthetic. Invited talk given at the Department of Linguistics, University of Ljubljana. January 14.

- 2008 (with Bruce Morén-Duolljá) Comparing the inventories and behavior of Slovenian and Serbian segments. Invited talk at the Department of Linguistics, University of Toronto. December 5.
- Autosegmental spreading is a binary relation. *3rd UMass–MIT Meeting*. Amherst: University of Massachusetts. November 22.
- Introduction to Generative Phonology. Invited talk at the Department of Phonetics, University of Zagreb. November 4.
- Prosodic hierarchy in Slovenian. *Linguistic Circle*. Ljubljana: University of Ljubljana. November 3.
- (with Patrycja Strycharczuk) Prosodic influences on formant frequencies of Polish vowels. *3rd Newcastle Postgraduate Conference in Theoretical and Applied Linguistics*. Newcastle: Newcastle University. July 29.
- (with Bruce Morén-Duolljá) When representational economy yields cross-linguistic results. *A Substance Free Workshop*. Tromsø: University of Tromsø. June 5.
- Long-Distance Derived Environment Effects and stratal identity. *31th GLOW Colloquium*. Newcastle: Newcastle University. March 26.
- Disjunctive lexical stratification. *Sound Circle*. Utrecht: University of Utrecht. January 31.
- 2007 (with Bruce Morén-Duolljá) Consonants and vowels in Slovenian and Serbian: Phonetic similarities, (morpho)phonological differences and vice versa. *Workshop on Slavic Phonology at the 7th European Conference on Formal Description of Slavic Languages (FDSL-7)*. Leipzig: University of Leipzig. December 1.
- (with Michael Becker) Interactions of tone and ATR in Slovenian. *7th European Conference on Formal Description of Slavic Languages (FDSL-7)*. Leipzig: University of Leipzig. November 30.
- Schwa in Slovenian is Epenthetic. *2nd Congress of the Slavic Linguistic Society*. Berlin: ZAS. August 24.
- Acoustic analysis of lexical tones in contemporary Standard Slovenian. *16th International Congress of Phonetic Sciences*. Saarbrücken: University of Saarbrücken. August 10.
- (with Michael Becker) Tone/TR interactions in Slovenian. *Workshop on Segments and Tone*. Amsterdam: Meertens Institut. June 7.
- All equal, all different. *15th Manchester Phonology Meeting*. Manchester: University of Manchester. May 24.
- Faithfulness is not enough: Loanword specific markedness. *4th Old World Conference in Phonology*. Rhodes: University of Rhodes. January 19.

- 2006
- Acoustic analysis of tones in contemporary Standard Slovene. *38th AAASS National Convention*. Washington, D.C.: AAASS. November 18.
- Vowel and consonant interactions in Slovenian. *Phonological Bases of Phonological Features Workshop*. Tromsø: University of Tromsø. September 28.
- Issues in lexical stratification: Evidence from Slovenian loanwords. Talk given at the Department of Linguistics, Indiana University Bloomington. August 8.
- Issues in loanword phonology: further data from Slovenian. *Phonology reading group*. Amherst: University of Massachusetts. June 8.
- On the phonological status of schwa in Slovene. *1st Slovene International Phonetic Conference (SloFon 1)*. Ljubljana: SRC SASA. April 20.
- (with Karmen Kenda Jež) Acoustic analysis of lexical tone in Ukve Slovenian. *1st Slovene International Phonetic Conference (SloFon 1)*. Ljubljana: SRC SASA. April 20.
- (with Melita Zemljak Jontes) Metodologija preučevanja glasovnega gradiva. *4th International Dialectological Conference*. Maribor: University of Maribor. February 24. [Methods of speech analysis]
- 2005
- Applying Optimality Theory to Slovenian. *Linguistic Circle*. Ljubljana: University of Ljubljana. December 19.
- On a certain process in loanwords (and how it might be explained). *Phonology reading group*. Amherst: University of Massachusetts. November 3.
- Creaky voice in Slovene. *III Congreso de fonética experimental*. Santiago de Compostela: Facultade de filoloxía da Universidade de Santiago de Compostela. October 24.
- Optimality Theory. *Historical Seminar*. Ljubljana: SRC SAAS. October 13.
- Intro to Praat. Invited talk at the Department of Phonetics, University of Zagreb. 13 July.
- Formant frequencies of the pitch- and stress-accented varieties of Standard Slovenian. *3rd International Conference on Language Variation in Europe*. Amsterdam: Meertens Institut. June 23.
- (with Karmen Kenda Jež and Andrejka Žejn) Code-switching at the meeting point of the Slavic and Roman and German worlds: the speech of the Slovenian community of the Kanalska Valley (La Val Canale, Italy). *3rd International Conference on Language Variation in Europe*. Amsterdam: Meertens Institut. June 23.
- Issues in Slovenian Phonetics. Invited lecture at the Institute for Slavic Studies, University of Graz, Austria. April 14.

- 2004 Formant frequencies of Standard Slovenian Vowels. *5th Speech Research Conference*. Zagreb: University of Zagreb. December 11.
- Accuracy of formant frequency measurements in LPC-based digital spectrography. *4th Language Technologies Conference*. Ljubljana: Jozef Stefan Institute. October 13.
- Fonološke značilnosti novejšega slovenskega besedja. *40th Seminar of Slovenian Language, Literature and Culture*. Ljubljana: University of Ljubljana. July 15. [On phonology of neologisms in Slovenian]
- Fonološke in morfonološke značilnosti mlajšega prevzetega besedja. *Knjižno in narečno besedoslovje slovenskega jezika*. Maribor: University of Maribor. June 10. [Phonology and morphology of loanwords]
- Hiatus in Slovenian. *Linguistic Circle*. Ljubljana: University of Ljubljana. May 3.

Courses, Summer Schools and Related

- 2008 Visiting student. University of Massachusetts Amherst. September–December.
Phonological variation and language change. Flåm: Nordic Language Variation Network. June.
- 2007 LSA Linguistic Institute. Stanford University. June.
Eastern European School in Generative Grammar (EGG). Brno. August.
- 2006 PhonologyFest 2006. Indiana University Bloomington. June.
- 2005 LOT Summer School. Leiden University. June.

Service

- 2010 Reviewer for ConSOLE XIX (Groningen)
- 2008 Reviewer for the Western Conference on Linguistics (UC Davis)
Reviewer for the Formal Approaches to Creole Studies conference (Tromsø)
Reviewer for ConSOLE XVII (Nova Gorica)
- 2007 Reviewer for GLOW XXX (Tromsø)
- 2006 Main organizer of the 1st Slovene International Phonetic Conference (Ljubljana)

Languages

Slovenian	native
English	proficient
German	good speaking and reading
Serbo-Croatian	good reading, some speaking and writing
Norwegian	good reading, some speaking and writing
Old-Church Slavic	structural knowledge

Latin	structural knowledge
Upper Sorbian	structural knowledge
Shua	fieldwork
Kusaal	fieldwork

Honors and Awards

2007	LSA Linguistic Institute Fellowship.
2005	Stanislav Škrabec Grant. Stanislav Škrabec Foundation.
2004	Grant for Young Researchers. Scientific Research Centre of the Slovenian Academy of Arts and Sciences. Best Monograph. Slovenian Slavic Studies Association.
2003	France Prešeren Award. Faculty of Arts, Ljubljana.
